## Experience

### DESAWAY (Software Development - Start Up) Frontend Developer

(Hybrid) Valencia, Spain  
December 2023 – December 2024

- Developed scalable web applications and cross-platform mobile solutions using Next.js, React, React Native, TypeScript, and RESTful APIs.
- Led responsive and adaptive UI/UX implementations, enhancing device compatibility and optimizing accessibility and design.
- Designed and developed high-efficiency RESTful APIs using Node.js and Express, enabling seamless service integration and improving response times.
- Collaborated with high-performing Scrum teams, working closely with UX/UI designers and backend developers to deliver top-quality projects.
- Developed and applied a comprehensive style guide using Material UI or Next UI, ensuring visual consistency and coherence across multiple projects.
- Documented complex technical solutions and streamlined the onboarding process for new developers, ensuring project scalability and continuity.
- Optimized version control workflows using Git, reducing integration conflicts and accelerating deployment processes.
- Delivered key projects remotely, maintaining transparent communication, proactively resolving issues, and managing projects using agile methodologies.

### CODERHOUSE (Technological Education - Start Up) Backend Software Development Tutor

(Remote) Argentina  
June 2023 – September 2023

- Mentored students in backend development, providing in-depth guidance on JavaScript, Node.js, Express, and database management, fostering skill growth and project success.
- Reviewed and provided feedback on student code submissions, enhancing code quality, efficiency, and adherence to best practices.
- Provided technical advice on backend best practices, supporting developers in improving application performance, security, and scalability.
- Facilitated Q&A sessions, addressing technical challenges and offering solutions to promote continuous learning and professional development.

## Skills

**Technical:** HTML, CSS, Javascript, Typescript, React, React Native, MobX State Tree, Next.Js, Next UI, Material UI, Node.Js, Express.Js, Prisma, PostgreSQL, Next Auth, Git.

**Language:** Spanish - Native | English - Intermediate.

## Education and Certifications

### UDEMY

SOLID principles, React Native, Next.Js, React, Javascript certification

Remote  
2022 – 2024

### DIGITAL HOUSE

Full Stack Developer certification

Rosario, Argentina  
May 2021 – May 2022

### UNIVERSIDAD ABIERTA INTERAMERICANA

Bachelor's degree - Kinesiology and physiatry

Rosario, Argentina  
April 2016 – March 2021
